COMPANY OVERVIEW

SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and family-owned excavation, concrete and site work contractor based in Franklin, Nebraska, established 2016. Insured for FEMA work, with completed FEMA storm recovery work and public project experience. Regularly works across south-central Nebraska and northern Kansas, and travels for large jobs.

CORE COMPETENCIES

- **Storm and FEMA recovery:** debris cleanup, culverts, drainage, emergency site and road repair
- **Site preparation:** excavation, trenching, grading, backfill
- **Water and utility lines:** water lines, line repair, stock waterers
- **Poured concrete:** pads, aprons, feedlot runways, retaining walls
- **Gravel and roads:** hauling, spreading, regrading
- **Irrigation:** lawn sprinkler installation and repair

PAST PERFORMANCE

FEMA contract storm cleanup for a power company

Storm cleanup under a FEMA contract for a power company: pulling broken power poles and hauling them out. Details on request.

Site work helping build an FSA office

Excavation and site work helping build an FSA office. Details on request.

Private site, water and concrete work

Retaining wall rebuilds, water main repair around live utilities, concrete pads, water line trenching, sprinkler systems.

DIFFERENTIATORS

- SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB); family run, and the owners answer the phone
- Insured for FEMA work
- One crew from dirt work through finished concrete
- Local to south-central Nebraska, within reach of rural sites
